## Sunday April 5, 2009

TIME	ACTIVITY	Versailles ROOM	Trianon ROOM	Sandringham ROOM	Windsor ROOM
12:00pm – 2:00pm	Concurrent Interactive Workshops	Promoting Adherence in Clients With Co-Occurring Diagnosis of HIV, Substance Abuse, and Mental Illness	Introduction to Motivational Enhancement Techniques for Adherence Counseling	Multidisciplinary Management to Improve ART Adherence in HIV-Infected Youth	Retention in HIV Care: Methodological Considerations and Practical Application for Investigators, Administrators, and Clinicians
2:00pm – 2:30pm	Break				
2:30pm – 4:30pm	Concurrent Interactive Workshops	Monitoring Patient Adherence: Recommendations From and For Clinical Practice	Addressing Socio-Cultural-Environmental Barriers to ART Adherence in International Settings	Integrating Peer Educators as Part of the Health Care Team	
4:30pm – 5:00pm	Break				
<b>OPENING CEREMONY • Versailles Room</b>					
5:00pm – 5:25pm	Conference Welcome	Welcome From IAPAC President/CEO and Honorary Co-Chairs José M. Zuniga, MSPH, PhD; Elly Katabira, MD; Evelyn Ullah, BSN, MSW			
5:25pm – 5:30pm	Dedication	Dedication of the “Gary S. Reiter, MD, and Andrew Kaplan, MD, Memorial Lecture” David R. Bangsberg, MD, MPH; Christopher M. Gordon, PhD			
5:30pm – 6:00pm	Memorial Lecture	Ecological Support for Treatment Adherence and Health José Szapocznik, PhD			
6:00pm – 6:15pm	Scholarship Recognition	Introduction of International and Domestic Scholarship Recipients Michael Stirratt, PhD			
6:30pm – 8:00pm	Opening Reception • Chopin Ballroom				

## Monday April 6, 2009

TIME	ACTIVITY	Versailles ROOM	Trianon ROOM	Sandringham ROOM	Windsor ROOM
7:00am – 9:00am	Continental Breakfast • Foyer				
9:00am – 9:45am	Keynote Address*	Community-Based Care for Chronic Infectious Disease in International and US Domestic Settings Paul Farmer, MD, PhD			
9:45am – 10:15am	Plenary 1*	Advancing Adherence in Resource-Limited Settings Through Public Health Evaluations Mark R. Dybul, MD			
10:15am – 10:45am	Break				
10:45am – 11:15am	Concurrent Invited Lectures	ART Adherence as Prevention Kenneth Mayer, MD	Electronic Drug Monitoring With 20,000 Patients: What Have We Learned? Bernard Vrijens, PhD	Is There An Adherent Personality? Gail H. Ironson, MD, PhD	Pharmacogenomics Predict Therapeutic Response and Tolerance David Haas, MD
11:15am – 12:15pm	Poster Session • Mezzanine				
12:15pm – 1:30pm	Lunch**				
1:30pm – 2:45pm	Oral Abstract Sessions	Adherence Challenges in African Settings	Adherence Technologies	Adherence and Virologic Outcomes	
2:45pm – 3:00pm	Break				
3:00pm – 4:15pm	Oral Abstract Sessions	Peer and Community-Based Approaches to Adherence	Adherence Among Mothers and Children	Depression and Stress: Adherence Implications	Regimen-Related Factors and ART Persistence
4:15pm – 4:30pm	Break				
4:30pm – 5:00pm	Plenary 2*	Adherence Considerations in Biomedical HIV Prevention Strategies Nancy S. Padian, PhD, MPH			

\*The Keynote Address and all Plenary Sessions are in the Versailles Room \*\*On your own
