HIV 90-90-90 watch

HIV Policy Watch

MAIRIE DE PARIS

We call on major cities to fast-track their AIDS responses by 2020:

- Frontloading investments and stepping up the pace of service delivery
- Strengthening and leveraging existing HIV programming for greater impact
- Scaling up HIV services, especially HIV testing and treatment

FAST-TRACK CITY INITIATIVE TARGETS

90% Of people living with HIV knowing their HIV status

90% Of people who know their HIV status on ART

90% Of people on treatment with suppressed viral load

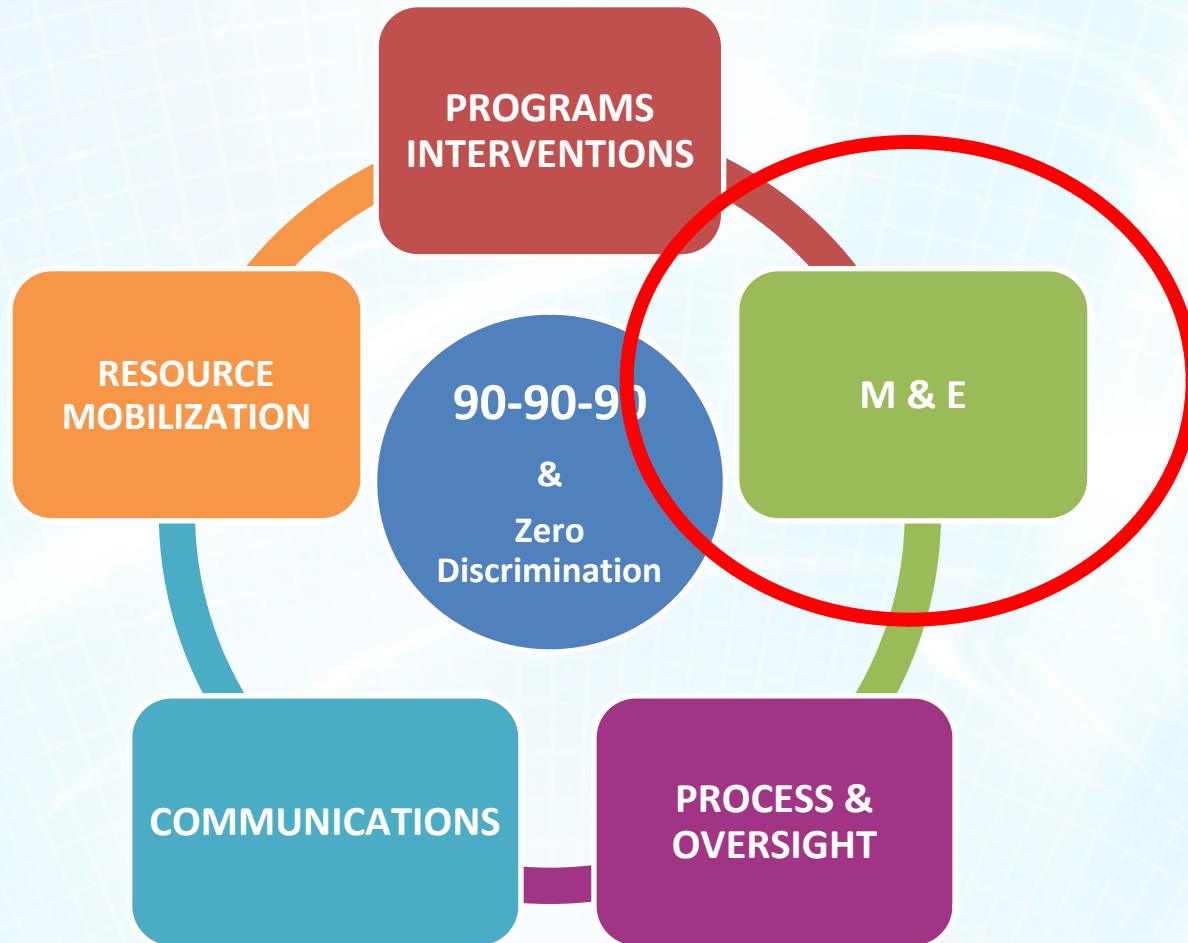

0% Stigma and discrimination

Help for sex workers now a cellphone away

Saturday 12 March 2016 16:25

SABC

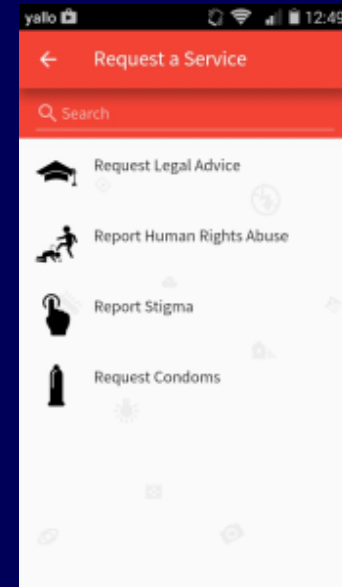

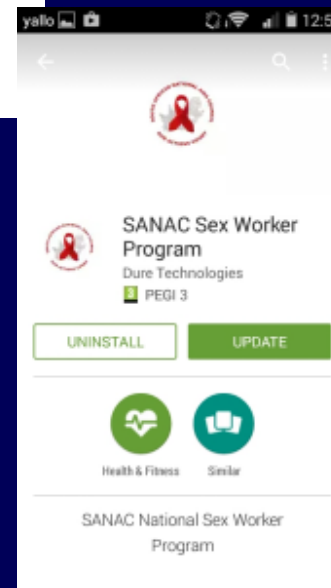

Fareed Abdullah is the CEO of the South African National AIDS Council. (SABC)

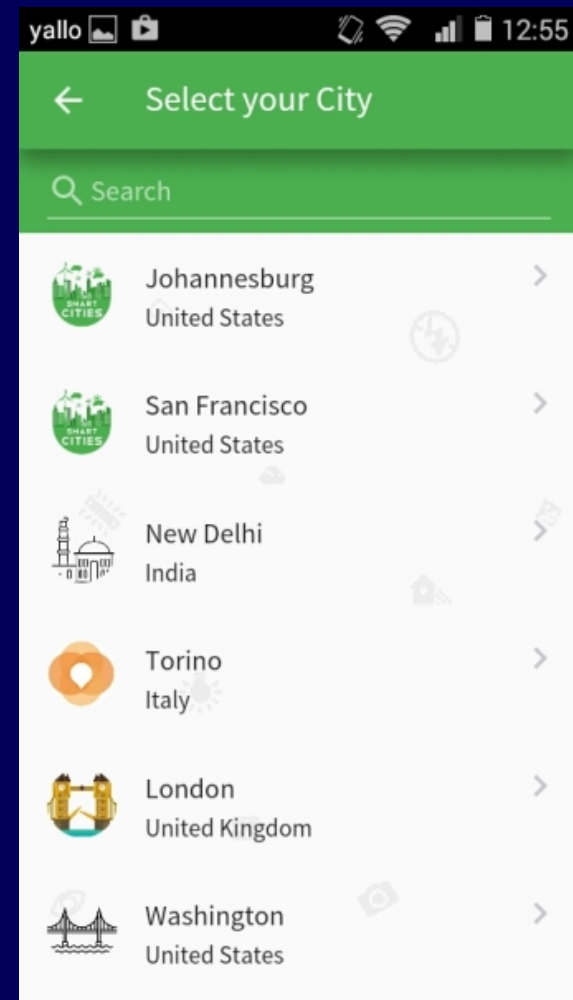

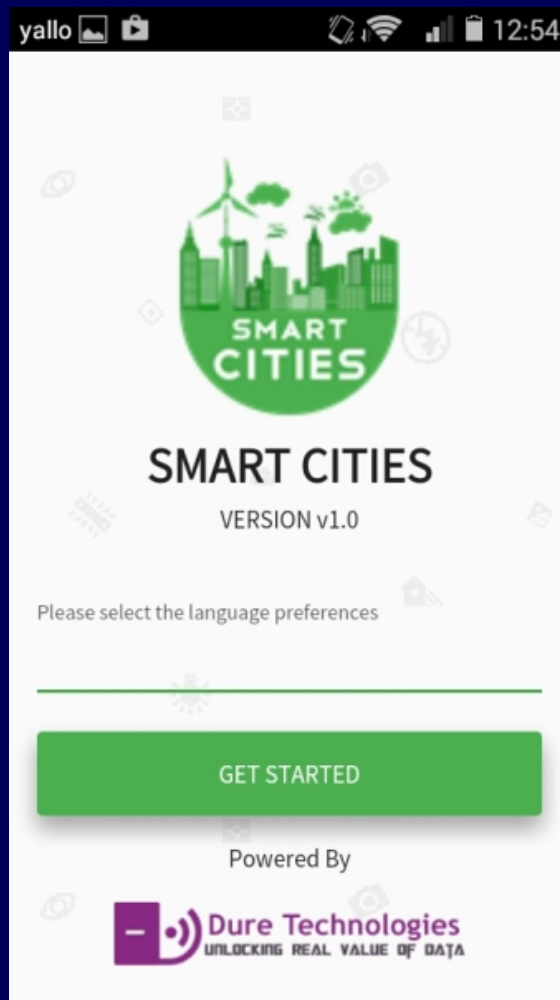

The government is to start offering sex workers legal support. This has emerged at the launch of the National Sex Workers HIV Plan in Johannesburg.

Sex workers have found it difficult to access health services because of discrimination. The government is hoping the health plan and the legal support will ease some of these challenges.

CEO of the South African National AIDS Council Fareed Abdullah says the support will be as accessible as a cellphone application.

Fast-Track Cities – Global Portal

The screenshot displays the Fast-Track Cities Global Portal website. At the top left is the logo for "FAST-TRACK CITIES" with the tagline "Global Web Portal" and "Ending the AIDS Epidemic by 2030". Navigation buttons for "HOME", "CONTRIBUTE", and "CONNECT" are visible, along with a "SELECT LANGUAGE" dropdown. A secondary navigation bar includes "ABOUT", "DATA VISUALIZATIONS", "CITIES", "RESOURCES", "NEWS", "LEADERSHIP", "HELP", and "IMPLEMENTATION STRATEGY", with a search bar on the right.

The main content area features a section titled "Projected numbers in 2016 as of Monday, October 10, 2016 09:42:15 AM". This section contains four data boxes:

Metric	Value
AIDS related-deaths in 2016	774,272
New HIV Infections in 2016	1,625,685
People receiving ART	18,554,147
People living with HIV	37,242,007

Below this is a "MAYOR'S MESSAGE" section featuring a photo of a man and a text block starting with "San Francisco is a national leader in treatment, housing and compassionate care for people living with HIV/AIDS...".

The central focus is a "People Living with HIV - 2015" interactive map. The map shows a world map with various countries colored in shades of blue, yellow, and red, and marked with location pins. To the left of the map is an "Interactive Menu" with options: "People Living with HIV", "HIV Prevalence (%)", "New HIV Infections", "People Living with HIV on ART", "ART Coverage (%)", and "Stigma and Discrimination". Below the menu is a "Data Overlays" section with options: "Exposure to HIV", "Travel Restrictions", and "Same-Sex Behaviour/ Conduct".
