

PrEPfacts.org Overview

Megan Canon, MPH Social Marketing Manager June 8, 2014

Disclosure

PrEP Facts was funded by an unrestricted education grant from Gilead Sciences and Be The Generation Bridge.

San Francisco AIDS Foundation

Vision

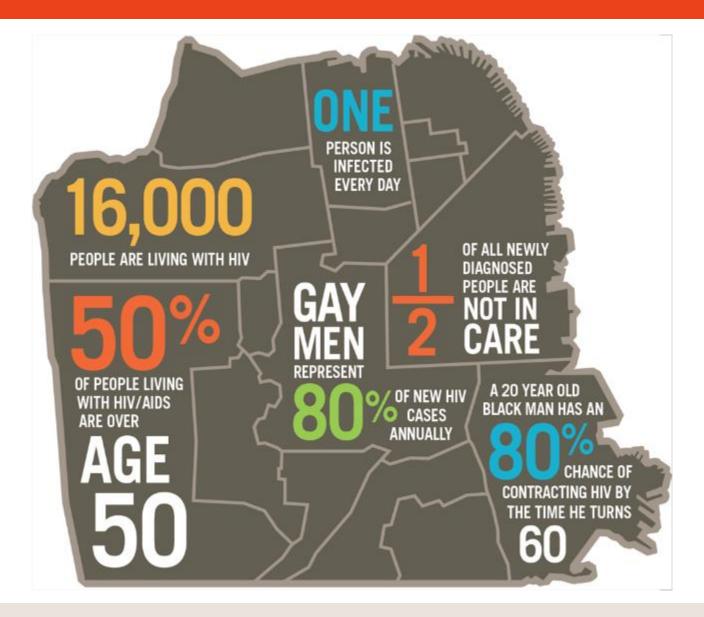

We envision the day when San Franciscans beat HIV.

Mission

The mission of San Francisco AIDS Foundation is the radical reduction of new HIV infections in San Francisco. We are guided by a strategic plan with three goals for 2015:

- Reduce by half the number of annual new HIV infections in San Francisco
- Ensure all San Franciscans know their current HIV status
- Ensure access to proper HIV care for all who need it

Online survey

On a scale of 1 to 10 (1 is no knowledge and 10 is expert knowledge), my knowledge of PrEP BEFORE/AFTER visiting this site.

Lessons Learned

- Collaborations with internal/external community stakeholders are key and take time to foster and maintain
- Social marketing campaigns drive web traffic
- Target audiences need different types of info
- PrEP is a moving target
- Shift in community PrEP discourse
 - Awareness/understanding
 - Access and cost
- Need to include more general/nationalfriendly information around access and cost
