CURRENT SITUATION.

AIDS WHO?
CHALLENGES

• Lack of STD-awareness across 13 - 24 years olds across the world

• Lack of sex education

• Increased sense of unease of young people with their own bodies

• Lack of youth friendly services

• Social stigma (STI, HIV)

• Challenging for young people to access services

• Lack of innovative ideas that make a difference for young people

KEY LEARNINGS.

to take away.
LEARNINGS

• Help young people to grow & develop to become partners
• Listening can be difficult, but it is necessary. Take each other seriously
• Provide a clear framework and set rules together (collaboration)
• Do what is relevant for your target group and not what you think is right for yourself
• Try and error: try things out quickly, be prepared to make mistakes
