

## Satellite Symposia Prospectus

**Fast-Track Cities 2022** will attract a diverse group of stakeholders from more than 400 cities and municipalities engaged in local responses to HIV, HBV, HCV, and TB. Build and expand your organization’s awareness, loyalty, and equity through hosting a satellite symposium.

### Satellite Symposia Benefits

As a satellite symposium organizer at the conference, you will receive:

- One (1) e-blast sent on symposium’s behalf to all those attending the event. Organizer must submit email draft for approval by IAPAC. Upon approval, IAPAC will send to all registered attendees on mutually agreed date.
- Two (2) complimentary registration passes.
- A listing in the conference program along with a description of the satellite symposium (organization to provide description to IAPAC along with Satellite Symposium Outline).
- Exposure conference delegates who will include elected officials, public health department representatives, clinical/public health researchers, healthcare payors, donors/grantors, service providers, and civil society advocates from current and prospective Fast-Track Cities.
