Kickoff: Mission, Meaning & Momentum

9:25 – 9:35 AM

Align, energize, and focus. We'll set the stage for the day by spotlighting why 340B is not just a program—it's a lifeline, especially in the fight against HIV.

340B for Beginners: The Power Behind the Program

9:35 – 10:30 AM

New to 340B? This session breaks it down:

- Why 340B was created
- Who qualifies—covered entities, patients, and drugs
- Key acronyms decoded: HRSA, OPAIS, MEF
- HIV program ties: Ryan White, ADAP

Recharge & Reflect Break

10:30 – 10:45 AM

Behind the Scenes: The Recipe for 340B Success

10:45 AM – 12:00 PM

Take a deep dive into what makes 340B tick:

- Contract pharmacy vs. in-house: pros & cons
- Virtual vs. physical inventory: simplified
- Tools & tech that make it all work (TPAs, split-billing, smart workflows)

Lunch Break: Refuel & Connect

12:00 – 1:00 PM

Enjoy lunch, network with peers, share what's resonating.

From Dollars to Impact: Revenue & Reinvestment Done Right

1:00 – 2:00 PM

Maximize every 340B dollar—and make it count:

- Capturing every eligible penny
- Turning savings into services (think PrEP, outreach, case management)

Staying Audit-Ready: Compliance Without the Panic

2:00 – 3:00 PM

Stay one step ahead of HRSA with smart, stress-free practices:

- Audit prep like a pro
- Common pitfalls (and how to avoid them)
- Policies, documentation, and self-audits that actually work
