**LIFE DOESN'T  
STOP AT AN  
HIV DIAGNOSIS**

# COLORADO HAS RESOURCES FOR EVERYONE.

You may feel overwhelmed with information & options – remember that you do not have to decide everything today. There are people whose jobs are dedicated to helping you figure it out, one step at a time.

Whether you are worried about finding the right clinic, getting access to medication support systems, or even just talking with someone about how challenging your diagnosis may feel, there are many resources in Colorado to help you. We are lucky to live in a state that is not only so beautiful but also full of great options for

## EASY ANSWERS TO TOUGH QUESTIONS

---

Do I have to tell other people that I have HIV?

---

How will I pay for my HIV meds?

---

Will I have lots of side effects to the HIV medications?

---

Can I still have an active sex life?
